

boston horns

funk

"...Boston Horns lay down a classic sound that is the pillar of all things good and groovy in today's onslaught of fusion."
- *Jambase*

jazz

"... a band that rides in the pocket alongside such new-jack acid-jazzers as Karl Denson, Galactic and their brassy brethren. " - *Boston Herald*

soul

"From jazz to funk and well beyond, the Boston Horns have it goin' on!" - *All About Jazz*
